

Sargo 25

Price:€151,100 Tax Paid

Sargo 25 - the agile, compact and all rounder for day out no matter the weather

The baby of the range she may be yet she has the same solid credentials as the rest of the family. An all weather boat with fully enclosed wheelhouse with virtually 360 view, high, walk around, single level non skid side decks, a large open cockpit, and a hull that performs well. Standard specification on the Sargo 25 includes a Garmin chart plotter, oversized rails for safety, non skid deck, power trim assist, adjustable helm position and stainless steel keel protection among other items. Compact and accessible enough to be easily managed solo. The cosy wheelhouse seats six in comfort around the table; the forward berth contain a double bed and access to the head. The 25 also has a second sleeping area below the saloon seating.

Specification
